**BULLETIN #1343**

**RE: NO CHANGES TO EXPORT LIST**

The California Department of Insurance (CDI) has announced that there are no changes to the Export List for 2017. The CDI held a hearing on December 16, 2016, at which the SLA and other witnesses testified.

In its announcement, the CDI reminds all interested parties that risks and coverages not appearing on the Export List may still be exportable, but subject to a diligent search as required by California Insurance Code Section 1763.

**Bulletin No. 2017- 1  
February 14, 2017**

**TO: All Surplus Line Brokers, Admitted Insurers, and Other Interested Persons**

**SUBJECT: Export List**

Pursuant to Insurance Code Section 1763.1, the Commissioner may by order declare eligible for placement with a nonadmitted insurer and exempt from all the requirements of Section 1763, except the filing of a confidential written report, any type of insurance coverage or risk for which he finds after a public hearing that there is not a reasonable or adequate market among admitted insurers.

This year the Department held a public hearing and comment period regarding the annual renewal of the list as required by the statute. No changes were made to the Export List.

The Department reminds you that risks and coverages not appearing on this list may still be exportable but subject to the full documentation of the diligent search being performed with respect to insurance issued to a home state insured as required by Insurance Code Section 1763.

A public hearing will be held annually or more often at the Commissioner's discretion regarding the attached export list. The Commissioner or his designee shall notify all surplus line brokers of any removal from the list. The contact person is Carol Frair, Senior Staff Counsel, Department of Insurance, 45 Fremont Street, San Francisco, CA 94105, (415) 538-4408.
